I remember finding out about you
Every day my mind is all around you
Looking out from my lonely room
Day after day

Bring it home
Baby, make it soon
I give my love to you

I remember holding you while you sleep
Every day I feel the tears that you weep
Looking out from my lonely gloom
Day after day

Bring it home
Baby, make it soon
I give my love to you

I remember finding out about you
Every day my mind is all around you
Looking out from my lonely room
Day after day

Bring it home
Baby, make it soon
I give my love to you
