My bags are packed and I'm about to go...
You said you needed time to be alone...
But just in case you have a change of mind...
Here's my number where I'll tonight...

You know it's hard for me to understand...
But I'm gone' try to be an understanding man...
I'm hoping you would have a change of heart...
Cause without you I'm gone' fall apart...

I don't wanna be lonely...
I don't wanna see a day without you...
Don't want nobody else in your arms...
Don't want nobody holding you...
I don't wanna be lonely...
I don't want nobody laughing with you...
Don't want nobody else in your heart...
Dont' want nobody loving you...

I left an address on the kitchen door...
With the set of keys both mind and your's...
I'm hoping I won't need these keys for long...
Cause I'm praying you'll ask me back home...

I don't wanna be lonely...
I don't wanna see a day without you...
Don't want nobody else in your arms...
Don't want nobody holding you...
I don't wanna be lonely...
I don't want nobody laughing with you...
Don't want nobody else in your heart...
Dont' want nobody loving you...

Oh baby, baby, don't walk from me
I know that you will need some time to yourself
I'll give you, what you, all you need from me
I will give you the space girl whatever it takes
I don't wanna be here alone (so alone)

My bags are packed and I'm about to go...
I'm giving you the time to be alone...

But just in case you have a change of mind...
Here's my number will I'll be, baby (baby...), baby...

I don't wanna be lonely...
I don't wanna see a day without you...
Don't want nobody else in your arms...
Don't want nobody holding you...
I don't wanna be lonely...
I don't want nobody laughing with you...
Don't want nobody else in your heart...
Dont' want nobody loving you...

My bags are packed and I'm about to go....
My bags are packed and I'm...
