My bags are packed and I'm about to go
You said you need time to be alone
But just in case you have a change of mind
Here's my number where I'll be tonight

You know it's hard for me to understand
But I'm gonna try to be an understanding man
I'm hoping you will have a change of heart
'Cos without you I'm gonna fall apart

I don't want to be lonely
I don't want to see a day without you
I don't want nobody else in your arms
Don't want nobody holding you

I don't want to be lonely
I don't want nobody laughing with you
I don't want nobody else in your heart
I don't want nobody loving you

I left an address on the kitchen door
With a set of keys both mine and yours
I'm hoping I won't need these keys for long
'Cos I'm praying you'll ask me back home

I don't want to be lonely
I don't want to see a day without you
I don't want nobody else in your arms
Don't want nobody holding you

I don't want to be lonely
I don't want nobody laughing with you
I don't want nobody else in your heart
I don't want nobody loving you

Oh baby, baby don't walk from me
I know that you will need some time to yourself
I'll give you what you hope you need from me
I will give you the space girl, whatever it takes
I don't want to be here alone, so alone

My bags are packed and I'm about to go

I'm giving you the time to be alone
But just in case you have a change of mind girl
Here's my number where I'll be
Baby, baby

I don't want to be lonely
I don't want to see a day without you
I don't want nobody else in your arms
Don't want nobody holding you

I don't want to be lonely
I don't want nobody laughing with you
I don't want nobody else in your heart
I don't want nobody loving you

My bags are packed and I'm about to go
My bags are packed and I'm
