i woke up this morning  
in a cold swit  
i had a dream  
my baby girl left me  
when i never forget  
[you see..]  
ain't nothing in this world  
like my lady  
[so people ask why..]  
she'll treat you so good  
that she make a grown man cry

Chorus:

I need her she needs me  
like a baby needs a bottle  
and a bird needs a tree  
you see true love is a funny thing  
it makes you go to heaven  
like a heroin-feel  
the more i get  
the more i need  
it's something like weed  
but it's more like speed  
it got me so high  
damn i can't believe  
it's seem that it's the only thing i'll ever need

Now listen up baby  
it's time we had a talk  
now i'm going to do drugs  
[at the though have you ever]  
taken away my candy  
it tastes so good  
ever since i took my first hit  
girl you know i don't need any food  
[you got me like joking]  
like a fool  
don't you see on this voice girl  
it's because of you girl

Repeat Chorus

you got me like joking  
like a fool  
don't you see on this voice girl  
it's because of you girl

Repeat Chorus

girl it's just like a drug to me  
so i don't know why

Chorus [Fading]

[im not sure if the words are right ...  
e-mail me if there's something i need to change  
or to write ...]
