

Bad Habit **"I Believe"**

I, know that it's in vain
I start to feel the pain
It all seems insane
I've, been waiting for so long
And I've got to be strong
To find where I belong
I open my eyes
And I realise that
I can't live my life without you by my side, baby
I believe
I believe in destiny
I believe we can fight to be free

I believe
I believe in you and me
I believe that it was all meant to be
I, look into your eyes
I feel the tension rise
Emotions in disguise
And I've, been so far away
Still I want you to stay
I want to live for today
I open my eyes...
I believe...
I believe...
