Iâ€™ve, been climbing up this mountain so high
And I have put my love on the line
I always do the best that I can
Was hoping that youâ€™d understand
Is everything as hard as it seems
I saw you there in all of my dreams
Was fighting for a place in your heart
But loving you tore me apart
'Cos now
I donâ€™t want you
And I donâ€™t need you
I donâ€™t think I could ever be with you now
I donâ€™t love you
I gave you everything
But you broke my heart And my soul
Now, my senses keep on fading away
Iâ€™m losing you, donâ€™t want you to stay
'Cos every step I know deep inside
God only knows that I tried
And now
I donâ€™t want you...
'Cos I, I never told you just what Iâ€™d feel
When I believed in you
And Iâ€™m, still searching 'cos Iâ€™m keeping it real
'Cos I believe itâ€™s true, yeah
I donâ€™t want you...
I donâ€™t want you...
