I tried to tell you how I feel
But all the words I wanna say just fade away
I know this time that it's for real
This is where I wanna stay
But I just gotta find my way
I can't get you off my mind
No matter how I try
And I keep asking myself why
'Cos I, wanna open up my heart
I wanna never be apart
I wanna show you what I mean
And the things I have seen
I wanna be a part of you
I wanna share the things I do

With affection
I'm giving you all my confessions tonight
If only I could make you mine
I would try to make you see the truth in me
I wanna take you in my arms
I had enough don't wanna hide
I need you here and by my side
I can't get you off my mind...
Now I, wanna open up my heart...
SOLO
I can't get you off my mind...
'Cos I, wanna open up my heart...
'Cos I, wanna open up my heart...
