Come with me  
Here is the answer  
To set you free, yeah  
All alone as you silently scream  
You reach out and hold on  
All along you've been chasing a dream  
Now it's gone, it's over  
Out of my head 'cos it's  
Time to surrender  
It's time you remember  
A game of pretending  
Is not worth defending  
Heart and soul  
Truth is a saviour  
So take control, yeah

Time to surrender...  
You talk as if you just don't care  
There's so much frustration  
I see that you are in despair  
It's your desperation, oh  
Time to surrender...

Choir:  
Everything you say and everything you do  
Got to find a way you know it's down to you  
Live another day and live for what is true  
Make it up today there's nothing left to prove
