Mmhmm, mmhmm
Gonna get along with you now
Mmhmm my honey, mmmhmm my honey
Gonna get along without you now

You told me I was the neatest thing
You even asked me to wear your ring
Then you ran around with every girl in town
You never cared if it got me down

Mmhmm, mmhmm
Gonna get along without you now
Mmhmm my honey, mmhmm my honey
Gonna get along without you now

Got along without you before I met you
Gonna get along without you now
Gonna find somebody twice as cute
'Cause I didn't like you anyhow

You told everybody that we were friends
But this is where our friendship ends
Suddenly you've changed your tune
You haven't been around since way last june

Mmhmm, mmhmm
Got along without you before I met you
Gonna get along without you now
Gonna find somebody twice as cute
Cause I didn't like you anyhow

So long my honey, goodbye my dear
Gonna get along without you now
Gonna get along without you now

You told everybody that we were friends
But this is where our friendship ends
All of a sudden you change your tune
You haven't been around since way last june

Mmhmm, mmhmm
Gonna get along without you now

Got along without you before I met you
Gonna get along without you now

So long my honey, goodbye my dear
Gonna get along without you now!
