I love you, yes i do
'cos i know that you love me too
I love you, yes i do
gona spend all my money on you

everyday when i say, that i'm not gona take anymore
its ok, don't go away, i feel bad when you're closing the
door

I love you

Need some more, to restore all the feeling that i get
from you
i want more, give me more, all i want is a barrell of you

I love you, yes i do
'cos i know that you love me too
i love you, yes i do
gona spend all my money on you
woh woh woh woh

(trumpet instrumental)

I don't care, when they stare, at the way that i'm always
with you

we're a pair, it's not fair when they say we're a special
brew!
woh woh woh woh

I love you

hey...hey...hey...hey...
hey...hey...hey...hey...
hey...hey...hey...hey...
hey...hey...hey...hey...

Everyday, when i say, that i'm not gona take anymore
it's ok, dont go away, i feel bad when you're closing the
door

Need some more, to restore all the feeling that i get

from you
i want more, give me more, all i want is a barrell of you
woh woh woh woh woh woh woh

(instrumental)

I love you, yes i do
cos i know that you love me too!!!
