I'm a warrior, the blood won't wash away
I'm a warrior, I'll kill myself one day

Burning, looting, raping, shooting
Burning, looting, raping, shooting
Burning, looting, raping, shooting
Burning, looting, raping, shooting
All this I do, I'd kill for you

Oh come on pretty baby won't you take my hand
Oh come and kiss the singer in a rock n' roll band
Baby baby baby baby baby
I want to see your blood all over the land
All this I do, I'd kill for you

I'm a warrior of Ghengis Khan
I'm a warrior of Ghengis Khan
I'm a warrior, the blood won't wash away
I'm a warrior, I'll kill myself one day

I'm a warrior of Ghengis Khan
I'm a warrior of Ghengis Khan
I'm a warrior, the blood won't wash away
I'm a warrior, I'll kill myself one day
