I'm real high cause I smoke a lot before  
So what you stoppin for  
Keep passin by  
Smoke good weed get a long lasting high  
I know it might be right no it might be wrong  
If I'm gonna have a drink it might as well be strong  
Its not the beginning and it's not the end  
We gonna pass the shit around you can hit it agian  
Let me be young live life while I can  
Get the wrong idea of what I actually am
