You know i can't stay home
With all this time to kill
Oh god, i can't sit still,
Tonight

I've gotta make some noise
I'm jumping up and down
Gotta get out now
Gotta shout out loud

Oh, you make me feel alright
It's like the tipper most topper most high
Oh it's you you you
Crack up your face and give us a smile
Cos tonight i just wanna be wild

I've got a million thoughts
and when i've thought them all
I'll find a million more,
Tonight

And when i'm feeling sad
You know it's such a drag
Then i get so mad
But then i feel so bad

Oh, you make me be alright
It's like the tipper most topper most high
Crack up your face and give us a smile
Oh it's you, you, you
Ready or not
Here we go until we drop
Don't be square
Fix your face and grow your hair

Oh, you make me be alright
It's like the tipper most topper most high
Cos tonight i just want to be wild
Oh it's you, you, you
Ready or not
Here we go until we drop

Don't be square
Fix your face and grow your hair

Here
Now
