I'm off the chains  
I'm off the chains  
Yeah I'm off the chains

[Chorus:]

Have you ever seen me, I'm the future  
I represent how it's gone be, I'm the future  
Born in 1987, I'm the future  
Party people get ready, it's the future  
I don't know about y'all  
But I know about me  
And when I think about the future  
I'm all you see  
Cuz I am the future

(Bow Wow)

I'm somethin' you not  
I'm just right with the block  
Every jam that I make  
Gotta go knock, knock  
The biggest thang since hugo  
You know y'all cats do a whole lot do mo believe me  
I'm loose now running at full speed  
Like the juice now like back in '73'  
Ya heard of me  
Had to I'm that lil bad dude  
With JD  
I'm the A in the hit  
I'm the prince of the click  
What you think keep makin' shorty have them fits  
It's the b capital O-W Wow  
Like Moe Dee how you like me now  
Tryna do it real big like Chris and nem  
But if this thing don't work I'm above the rim  
Between the legs and behind the back  
Yeah I'm small but I got that  
Now tell me

Chorus

(R.O.C.)

Now look up ahead dats me  
Far beyond the flow is gone come on  
You know the kid is crazy  
Like Britney Spears  
And I'm in the prime of my years oh yeah  
I know what pops up in ya head first is ( wait a minute)  
How he keep coming up with verses ( uh huh)  
Well i'm gonna tell ya something and don't get nervous  
( alright)  
My secret is I'm doing this on purpose( Why)  
To get a billion copies purchased  
If your style is sick (well)  
Mine is allergic  
My rhymes in the beat merges like interstate traffic(ooh  
mybad)  
It's just a habit  
I flows it  
I know it'll probably illegal  
Before the o's before you  
Even close to being the COR  
Even backwards I'm hard  
And I give my regards  
But I aint rapping with y'all  
I'm a year after tomorrow

You can't see me  
I'm the future  
I represent how it's gone be  
I'm the future  
Born in '79'  
I'm the future  
Party people get ready  
It's the future
