It's a small world.  
It's a small world.  
It's a small world.  
It's a small world.  
It's a world of laughter, a world of tears.  
It's a world of hope and a world of fears.  
There's so much that we share,  
That it's time we're aware  
It's a small world after all.  
(CHORUS)  
It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a small, small, small, small world.  
There is just one moon, and one golden sun.  
And a smile means friendship to everyone.  
Though the mountains be wide.  
And the oceans are wide.  
It's a small world after all.  
It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a small, small world.  
(spoken)  
It's a small world after all  
No matter if you're big or small  
Come on everybody let's bounce to this!  
Let's play some love with a little twist!  
It's a small world  
It's a small world  
It's a world of laughter, a world of tears  
It's a world of hope and a world of fears  
There's so much that we share  
That it's time we're aware  
It's a small world after all  
It's a small world!  
It's a small world (after all) after all(everybody now!)  
It's a small world (after all) after all(can you hear me  
now?!)  
It's a small world after all (come on! come on!)  
It's a small, small, small, small world

It's a small world (after all) after all(everybody now!)  
It's a small world (after all) after all  
It's a small world after all  
It's a small, small, small, small world  
(REPEAT CHORUS 2 MORE TIMES)
