I was at home playing DJ  
Jumped on the beat and flew away  
Our party was moving out of control  
I move to a rhythm I don't know

I see, I see, I see, I see, I see you and me  
Are free  
Dance, make that woman dance  
Make that woman dance  
Make that woman dance

Shiggadiggy, Shigadiddy, Shigadiddy, yeah, yeah

She livin' and dance on Nassau Street  
She only gets love from the junkanoo beat  
The girl is so hot  
She be the bomb  
She makes me forget what world I'm on

I see, I see, I see, I see, I see you and me  
Are free  
Dance, make that woman dance  
Make that woman dance  
Make that woman dance

Shiggadiggy, Shigadiddy, Shigadiddy, yeah, yeah

All the club is jumpin' and everybody's on ya  
And I see you on the dance floor and you tell me  
Why don't you come and stomp your feet along with  
me  
In harmony and it feels good to me and it takes you  
away, baby.

I see, I see, I see, I see, I see you, me  
Are free  
Ain't afraid of woman who like to wear Gucci and those  
Paris Pants, yeah  
And a girl who like to wear Victora's Secret say "yeah".  
Dance, make that woman dance  
Make that woman dance

Make that woman dance
