"Under The Water"

I get confused when I'm tired
But the last time I saw you, we were in a room with
Sunshine in my eyes and water on the floor
I watched you float away
Take me with you

A long time ago we were walking around
We were foolin' around
In the garden, in the garden there
I saw you turn around
And still you turn around
My eyes are playing tricks on me
How I miss you

CHORUS 1

I could be your lover chained under the water, under
the water
I could be standing on a ladder to make it easier, to
make it easier

Your eyes are coloured stone
You've got an earring through your nose
Your chains are made of gold, I don't think they will
float
But floating is what you do
That is beautiful, that is you

CHORUS 2

I could be your lover chained under the water, under
the water
I could be swimming out to save you, no-one there
would save you
To make it easier

CHORUS 3

I'll be your lover
Under the water

CHORUS 4

I could be standing
To make it easier

REPEAT CHORUS 1 (CHORUS 3 ECHO)
REPEAT CHORUS 2 (CHORUS 4 ECHO)
REPEAT CHORUS 1 (CHORUS 3 ECHO)
REPEAT CHORUS 2 (CHORUS 4 ECHO)
REPEAT THIS SEQUENCE TO FADE
