Boring Time

This was the time when I sat all alone
in a room where no one has been there
well a certain feeling hit me down my mind felt on the
floor

That situation returned to me which i knew before
I got a special kind of anger at every different day
and an inner voice returned to me and made my
heaven grey

Boring time emphasises my life sadness is by my side
but i'm trying to keep my goals in sight
Boring time a major part in my life craziness is my
guide
but i don't know if i'm right

Time was running out when i was waiting on my chair

i tried to form my dreams in several ways
and this bubbles of my mind always bursting on a
naked wall
that kind of dreams a child might had many years ago
I got a special kind of anger at every different day
and an inner voice returned to me and made my
heaven grey

Boring time ...

I tried so many times to reach a state of concentration
I tried very hard to hear what my master says
I keep in mind that I wanna get some penetration
from now to the end of mine

Boring tim e....
