Dave

Hello guys my name is Dave,  
my parents think i must be saved,  
I drink, I stink and I never think,  
I'm real good punk I go my own way,  
hemp's my love everyday,  
yes I like it to smoke shit  
and I feel  
...stoned...

I like to drink and drive,  
I'm living for today...

My hair is green, my teeth are black,  
I've got a tatoe on my back,  
I'm the hottest man on the world,  
I'll get problems with my wife,  
I have problems when I drive  
but I'm the hottest man of the world  
adn if feel  
...stoned...

I donot care 'bout the color of my hair  
and I always will be strong and pride....
