Inside of you

I'm a guy who's interested in sexual affairs,
my dick's my friend, we love big tits and pubic hair,
a beautiful black triangel between a woman's legs
and tender hands to scratch my balls inside their bags,
I like to lick my tongue between a woman's lips,
I like to rub my dick between gigantic tits,
I don't waste my time by asking "voulez vous?",
I wanna be inside of you,
to blow away my sperm I really just know what to do

I wanna be inside of you...

I'm not only interested in vaginal sex,
your body has differend openings, not just between the
legs,
a mouth, an anus, that means oral and anal,
I try everything, nothing is unable,
I ain't no macho, I'm aslo no sexist,
It also happens that a woman can resist,
then I grab my dick and I know exactly what to do
and I think I'm inside of you,
I declare my love to you that is what i wanna do...

I wanna be inside of you...
