Why you even getting this close
What are you trying to do to me
You kiss my lips and I kiss you back
Really like how you're moving me
And you're telling me me

You light me up all day and up all night
I don't know what to say you blow my mind
You've got me feelin (ooo)
What time you wanna go

(And I'm like)
Baby, I know you like it this way(ooo)
If you want me then don't hesitate(ooo)
Because I'm,
I'm not gonna wait for you
Wait for you tonight

Don't you even try to pretend
Cause I know what you're gonna do gonna do gonna do
So teasin and playing hard to get won't ever work for
you
I am tellin you you

I light you up all day and up all night
You won't know what to say I lose your mind
You've got me feelin (ooo)
What time you wanna go

(And I'm like)

Baby, I know you like it this way(ooo)
If you want me then don't hesitate(ooo)
Because I'm,
I'm not gonna wait for you
Wait for you tonight

You want me
I know you do
So make me
Feel what you do
I can't wait

On every move
So let me
Into your groove

Baby, I know you like it this way(ooo)
If you want me then don't hesitate(ooo)
Because I'm,
I'm not gonna wait for you
Wait for you tonight

Baby, I know you like it this way(ooo)
If you want me then don't hesitate(ooo)
Because I'm,
I'm not gonna wait for you
Wait for you tonight
