The reason of attacks
Are lead by all of those facts
Who creep on my mind since 1989
Since this year, I'm so tired of abuse
Of authority, and violence that they use
Violence that they use like criminals and thief
And violence that they use on people like you and me
I want peace I want respect, on the street
I don't want to be afraid by this
BLUE ARMY

REF: It's time to stop this brutality

Police have to protect me (2x)

You say it's just an error but in fact
It's for colour, but one thing that I'm sure
Cops will be like that
for ever (3x)
I don't want to generalize
But I have to talk about
All of those who denied the
Truth (2x)

REF: It's time to stop this brutality
Police have to protect me (3x)
