Tell me how can you serve this damnshit system
Tell me how can you leave your family for them
Tell me how are you proud to put this flag up your arms
When this flag represent corruption without regards

Are you proud of weapon and your stupid uniform
And stupid act of war, and you feel like a star
you' ve got to fight, to kill and destroy everybody
Do you really realize that' s the money of a country

For me it's over
(For me it's over)
For me it's over
ENOUGH IS ENOUGH ! (2x)

Cause of war
We live in a world full of war
Cause of war
The kids are educated by your war

Your fucking violence
By your war, your dumbshit ignorance

Why we have to pay?
Why we have to cry?
Why we have to pay?
Why we die?
For your money, buiseness, country, politic
(For your money, buiseness, country, politic)

For me it's over
(For me it's over)
For me it's over
ENOUGH IS ENOUGH ! (2x)

Why do we have to pay?
Why do we have to cry?
Why do we have to pay?
Why do we die? (2x)

For me it's over
(For me it's over)

For me it's over
ENOUGH IS ENOUGH ! (2x)
