It makes me crazy
It drives me nuts
Especially when they're wearing those sexy bikinis
Once their curves catch me sight
I can't get enough cuz i'm fucking addicted

Girls i want your boobs
And i want your snatch

I want them in my mouth
Right against my tongue
I wanna fell your tits rubbing against my throat
When you are walking
It's like they were dancing
And i can't stop watching
Cuz i like starring...at you your boobs fucking bitches

Girl i want your boobs
And i want your snatch
And i want your boobs
And i want your snatch
