(Patrick)

It was a

(Bryan)

So incredible like can't hardly tell ya

How good that view was like

She was pretty in the face

But when she walked away

Make you love to say goodbye

(Patrick)

Mami got that big ol' personality

Can't ever out shine that body

She can be my girl

Me and her

That's that's that's wassup (that's wassup)

(Chorus)

Baby go boom boom boom

Baby girl

I like the way you work them curves

Ohhhh

Know you knock knock knock me out

That's her(that's her) that's her

Baby go boom boom boom

Oh my word

You make me go and loose my nerve

Ohhh

Girl you knock knock knock me out

You a problem baby

(Patrick)

She's an eleven outta ten

Loves how she wear em well

Trues just right

She knows it

And she shows it

By the look in her eyes

(Patrick)
