[Verse 1:]

Shes a spittin image of
The finest girl you dream about
She, makes me wanna give it all up
Cut all them other chicks off
She, sweet like some chardonnay
Got them kisses that'll make my day
She, fresh like a cut out the shop (oh)
You know what I'm talkin about (She)

[Chorus:]

She makes me wanna chill a bit
Makes me wanna chill a bit, She
She got sexy long legs like Amerie
She a lil bit gangsta like Mya and Eve
She, makes me wanna chill a bit
Makes me wanna chill a bit, She
Shes beautiful
Like Christina Millian
She, makes a playa wanna settle down

[Carnell:]

And if you wanna settle down
Makes me wanna settle down
Oh yes a little bit baby
Oh ya know ya driving me crazy, She

[Verse 2:]

Shes in the Kelz pock picket 50 (oh)
Man this girl she really fits me, She
Like a pair of fresh new ones (oh)

The kind you wanna show everyone, She
Like a new 6 out the lot (oh)

The realest girl I ever known (oh)
Got me taking numbers out my phone
