[Kelly]

Don't Talk

Just Listen

Yo

Have you ever thought about being with me

Naw I don't mean be with me

I mean just be with me

I mean it as in something that's yours

And nobody else can match my touch

And nobody else can match the feelings that you have  
for me

And the love that we share

Is so undeniable

Cause this is how I feel about you

Yea

[All(Patrick lead vocals)]

My lady you know I love her

Nothing else in this world that comes before her

Cause she's my babygirl

I keep her laced so properly

And yet I let her push the ride

Cause she ride for me

My lady I-I love her

I be textin her early before she wake up

When we fight I'm the first one tryna make up

Never gonna break up

She's my all

Yes my everything

My girl you know she's got it like that

[Patrick]

First thing in the morning I be textin her phone

Tryna check up on my lady

Tryna see just what she's on

Cause I got something planned today

Baby gone get fly right away

Cause my drivers on his way

First off baby we gon hit the mall

And shawty if you want it

We can buy it all  
Cause theres no limit when it comes to lacing you  
I'll do whatever it takes to please you oh

[All(Patrick Lead Vocals)]

My lady you know I love her  
Nothing else in this world that comes before her  
Cause she's my babygirl

[Patrick]

Girl you're so amazing  
In all the things you do  
And even when I'm down  
You always get me through  
Cause you don't trip when I'm on the road  
When I'm rushing off the phone  
You're so incredible

Baby taking trips  
Whenever you wanna dip  
Cause thats the least that I can do for you girl  
And I'll never quit  
She deserves every bit of it  
And If I could I would give her the world oh

[All(Patrick lead vocals)]
