Featuring: Bow Wow

La la la la [yo ya-yo]  
La la la la la [ya-yo]  
La la la la la [B5 B5]  
La la la la la [B5 B5]

[Diddy]  
Bad Boy Baby  
[Bow Wow]  
And the Prince  
[Diddy]  
You know what it is  
Bow wow, B5  
The future  
[Bow Wow]  
B5... I gotchu  
Listen

[Bow Wow]  
The boys on fire  
So imma heat it up [whew]  
And if lil mama throw it at me  
Imma beat it up [haha]  
See it's nothing if she aint about summin [uh huh]  
Then I gotta next her  
On to the next one [next! ]  
And she's bad [bad]  
So I might holla  
She moves up and down  
Like a 6-4 Impala [666]  
She get it from her mama  
She done like lames [uh-uh]  
She likes rich niggaz's who's heavy in the game like  
... Me

(Dustin)  
I see you lookin at me  
Tryin to figure out how I move to the beat  
So good  
Guess I got in my blood

Everytime the djs spinnin my cuts  
I gets busy [gets busy on the one]  
I came to party  
Just to show you how it's done  
Fellas you can 2 step if you want to  
B5 giving you something to move to

(Chorus)

Thump in your trunk  
Make the speakers bump  
Hit the switch on the '64 make it jump  
Gotta brand new dance  
Can you see me stunt  
You can do it like me just turn it up  
Get low [hydraulic]  
Hydraulic  
Bring it up slow [hydraulic]  
Hydraulic  
Clean to the floor [hydraulic]  
Hydraulic  
This is how it goes [hydraulic]  
Hydraulic

(Patrick)

So sophisticated, educated  
Standing in the crowd  
But she looking at me  
Cuz she like the way I put it down  
She recognize me from my video  
And on my shows  
I told her this my dance  
And this is how it goes  
I gets busy [gets busy on the one]  
I came to party  
Just to show you how it's done  
Fellas you can 2 step if you want to  
B5 giving you something to move to

(Chorus)

Thump in your trunk  
Make the speakers bump  
Hit the switch on the '64 make it jump  
Gotta brand new dance  
Can you see me stunt

You can do it like me just turn it up  
Get low [hydraulic]  
Hydraulic  
Bring it up slow [hydraulic]  
Hydraulic  
Clean to the floor [hydraulic]

Hydraulic  
This is how it goes [hydraulic]  
Hydraulic

B5 gonna break it down  
And show you to do the hydraulic

(Patrick)  
Girl you wanna know how to do what I do  
Lean to the left hit switches when you move [get busy]  
Bounce to the beat shawty you can do it to [u know how  
we rock]  
Break it down slow [B5 bad boy]  
You drop it down low [let's go]  
Got bounce like a four block range  
Girl I aint tryna play no games [no games][drop it low]  
I'd do anything just to know your name [anything]  
[drop it low]  
Girl I hope you feel the same ooh [what's your name lil  
mama? ]

[Bow Wow]  
Lil mama won't you sidekick page me  
Here go the info  
All you gotta do is let me know what you into  
We can make moves  
You rolling wit the best [yeah]  
It's that LB Dub Gang [You are now rocking with the  
best]  
And Bad Boys niggas yesss  
And I am F-L-Y-er than the next guy [yup]  
Now mama lets ride  
Yeah I wanna see you move it to the beat [uh-huh]  
Now back it on up while B5 sing [Bow do it to 'em like  
that]

(Chorus)  
Thump in your trunk  
Make the speakers bump  
Hit the switch on the '64 make it jump  
Gotta brand new dance  
Can you see me stunt  
You can do it like me just turn it up  
Get low [hydraulic]  
Hydraulic  
Bring it up slow [hydraulic]  
Hydraulic  
Clean to the floor [hydraulic]  
Hydraulic  
This is how it goes [hydraulic]  
Hydraulic

Sing  
La la la la  
La la la la la [You are now rocking with the best]  
La la la la la [B5]

La la la la [Bow Wow]  
La la la la la [They call me Diddy]  
La la la la la [Bad Boy Empire]

La la la la [Worldwide]  
La la la la la [I see ya kev]  
La la la la la [ATL Georgia]

Lets go  
Don't talk, just listen

(Chorus; fading)  
Thump your trunk  
Make the speakers bump  
Hit the switch on the '64 make it jump  
Gotta brand new dance  
Can you see me stunt  
You can do it like me just turn it up  
Get low [hydraulic]  
Hydraulic  
Bring it up slow [hydraulic]  
Hydraulic  
Clean to the floor [hydraulic]  
Hydraulic  
This is how it goes [hydraulic]  
Hydraulic
