"I Swear"

I swear by the moon and the stars in the skies
And I swear like the shadow that's by your side
I see the questions in your eyes
I know what's weighing on your mind

You can be sure I know my part
'Cause I'll stand beside you through the years
You'll only cry those happy tears
And though I'll make mistakes, I'll never break your
heart

And I swear by the moon and the stars in the skies, I'll
be there
I swear like the shadow that's by your side, I'll be there
For better or worse, 'til death do us part
I'll love you with every beat of my heart and I swear

I'll give you everything I can
I'll build your dreams with these two hands
We'll hang some memories on the walls
And when just the two of us are there
You won't have to ask if I still care
'Cause as the time turns the page my love won't age at
all

And I swear by the moon and the stars in the skies, I'll
be there
I swear like the shadow that's by your side, I'll be there
For better or worse, 'til death do us part
I'll love you with every beat of my heart and I swear

And I swear by the moon and the stars in the skies, I'll
be there
I swear like the shadow that's by your side, I'll be there
For better or worse, 'til death do us part
I'll love you with every beat of my heart and I swear
