Yeah
You know we had to do it right?
We gon take this r&b classic
And flip it the B5 way
Good lookin out on the track french
Let go!

Let's groove tonight
Share the spice of life
Baby slice it right
We gonna groove tonight

Let this groove get you to move
It's alright, alright, alright
Let this groove set in your shoes
So stand up
Stand up
Alright

Gonna tell ya
What you can do to my groove(my groove)alright
Let you know girl you're looking good ya outta sight
(outta sight),alright
Just move yourself and glide like a 747
And loose yourself in the sky among the clouds and the
heavens

Let this groove,light up your fuse
It's alright, alright, alright
Let this groove, set in your shoes
So stand up,alright, stand up, alright

Let me tell ya
What you can do to my groove(my groove), alright
Gotta let you know
Girl you're lookin good you're outta sight (outta sight)
alright
Just tell the DJ to play your favorite tune
You know it's okay
What you found is happening now

Let this groove, light up your fuse
It's alright, alright, alright
Let this groove, set in your shoes
Stand up, stand up,

B5 Lets go come on
You a fine peace of mind on the floor and I
Wanna see, you and me
Make a little sound,
I'll be there after a while if you want to groove

We can boogie on down
Boog boog boog
Boog boog boog
Boog boog boog
Whoa whoa whoa

Let this groove, get you to move,
It's alright, alright, alright
Let this groove, set in your shoes
Stand up, stand up, alright

Let this groove tonight, get you to move
Share the spice of life
It's alright, alright, alright
Baby slice it right
Let this groove, set in your shoes
Stand up, stand up, alright

Let's groove tonight, get you to move
Its alright, alright, alright
Lets groove tonight
Share the spice of life
