Verse 1

Am I crazy now?
uh I dream too much
But when I think of you
I just wanna to feel your touch

whisper in your ear
The Things you love to hear
Do you love me too?
I'm so happy that you do

Every little thing you have said and done
it's in my heart

I'm so in love

Refrain

I'm so in love with you
You gotta tell me what to do
Uh babe
I'm so in love with you

I'm so in love with you
I really don't know what to do
Uh babe
I'm so in love with you

Verse 2

Now I understand
How lonely live can be
when no one's by my side
who can set my spirit free

u take me by surprise
when you looking in my eyes
my friends are telling me
that something has come over me

Every little thing you have said and done
it's in my heart

Refrain

I'm so in love with you
You gotta tell me what to do
Uh babe
I'm so in love with you

I'm so in love with you
I really don't know what to do
Uh babe
I'm so in love with you

Bridge

Girl I really hope you understand
Right From the first day when you took my hand
then I know that you are made for me
I'm so in love..

Refrain

I'm so in love with you
You gotta tell me what to do
Uh babe
I'm so in love with you

I'm so in love with you
I really don't know what to do
Uh babe
I'm so in love with you
