Johnny:

Another night another day
your heart is still so far away
And I want you girl I need your love
I never felt this way before
And now I know that
Iâ€™m sure that I love you girl forever

Tim:

I wanna be right by your side
I wanna be your only one
Can I hold you tonight and forever?
Baby

Chorus (alle):

It doesnâ€™t matter where you are we will never be apart
Iâ€™ll be there tonight and forever
It doesnâ€™t matter where you stay
I will hold you anyway Iâ€™ll be there
Tonight and forever, tonight and forever

Blair:

And every time that you are near my love is waiting oh
so clear
Iâ€™m trembling like a child
So hear me now donâ€™t get me wrong
I do believe that we belong together
Tonight and forever

Tim:

I wanna be right by your side
I wanna be the only one

Can I hold you tonight and forever?

Baby

Chorus (alle):

It doesnâ€™t matter where you are we will never be apart
Iâ€™ll be there tonight and forever
It doesnâ€™t matter where you stay
I will hold you anyway Iâ€™ll be there
Tonight and forever, tonight and forever

Johnny:

I shouldâ€™ve told you but I didnâ€™t know how
Wish I was holding you now

Tonight and forever
Alle:
Where you are
Doesn't matter we won't be apart
No we won't be apart
Tonight and forever

Chorus (alle):
It doesn't matter where you are we will never be apart
I'll be there tonight and forever
It doesn't matter where you stay
I will hold you anyway in my heart
Tonight and forever, tonight and forever

Johnny:
Tonight and forever
Tonight and forever
