Nobody gets too much heaven no more  
It's much harder to come by  
I'm waiting in line  
Nobody gets too much love anymore  
It's as high as a mountain  
And harder to climb

Oh you and me girl  
Got a lot of love in store  
And it flows through you  
And it flows through me  
And I love you so much more  
Then my life I can see beyond forever  
Ev'rything we are, will never die  
Loving's such a beautiful thing  
Oh you make my world a summer day  
Are you just a dream to fade away

Chorus...

You and me girl got a highway to the sky

We can turn away from the night and day

And the tears you had to cry

You're my life..  
I can see a new tomorrow  
Ev'rything we are, will never die  
Loving's such a beautiful thing  
When you are to me, the light above  
Made for all to see our presious love

Chorus...

Loving's such a beautiful thing  
You make my world a summer day  
Are you just a dream to fade away

Chorus...

Nobody gets too much love anymore

It's as wide as a river and harder to cross
