As far as I can see  
Now it's all about me  
Yeah--  
I've had enough of talking about it  
I've had enough of waiting for you  
All my life is passing before me  
You don't care, not at all  
Chorus:  
It's all right  
If that's the way it has to be  
You say you wanted to be free

I think it's time I see I can't do nothing for you  
So now it's all about me  
It's all about me  
So now it's all about me  
I'm not trying to just run away  
But I'm so tired of waiting for you  
I just need you to give me the chance  
But no-- you don't care  
Chorus 2x
