

Ballad For Layla "The Awakening"

Visit "[The Awakening](#)" on MotoLyrics.com

Just wake me up and tell me it was over,
I need your guidance,
I can't swim through the sea of fire alone,
That's why I need you to hold my hand

Throw away all the memories,
It's time to wake up and fight,
Burn all of the photographs,
This doesn't end here and we're still breathing,
No matter how many times we fall,
Our only hope is to fight,
Dreams can be contagious
Spreading all over please make it stop

I can't sleep with all of this strangling me,
Never let it control you say your prayer,
Let's die tonight,
(Die with dignity),
Let's hold our hands,
(We're in this together),
We're falling apart,
It's time to... wake...

Nothing can stop us now,
The wind is changing,
Moving towards the light,
All I can see everyone's staring at me,

Rise, it's time for us to rise,
Come on.

Awakening!

We could be,
The ones who lose in this battle
Scream our lungs out,
Well I told you,
Not to be scared
I can't sleep with all of this strangling me,
Never let it control you say your prayer,
Let's die tonight (Die with dignity),
Let's hold our hands (We're in this together),

We're falling apart,
It's time to wake.yeaaahh.

We are stronger than ever

Wake me up, tell me it's the beginning.
