La Bonita

Move surround the night mi amore

In a moment he'll leave me

And let the girl in

No no no no no

Little fighter

You take on the world for me

In a moment he'll leave me and let the girl in

Cause I don't want to go

Ahhh

Feel what you see

Don't be so sweet

Even though through the tears in your eyes I'm what
you see

So now, I set you free and so no one believes you

The truth will be known

La Bonita

Lure and hide one day more

Through the night no one sees you

And let the girl in

Let the boy

Let the boy feel what you see

Don't be so sweet

Even though through the tears in your eyes I'm what
you see

So now don't wait for me

And when no one believes you I'll be gone.

Don't be so sweet

Even though through the tears in your eyes I'm what
you see

Now go away from me

And there's no one you'll love

And if no one believes you

So let it be, and let it leave

Through the tears in your eyes I'm what you see

So let it leave, and let it be

Don't be so sweet
Even though through the tears in your eyes I'm what
you see
So now, I set you free
And when no one believes I'll be gone

Don't be so sweet
Even though through the tears in your eyes I'm what
you see
Now, no in time
Know
This life
You'll love.

No
In time
No
This life
Now
In time
You'll love.
