Jay! James! Roll tape I'm ready to roll!

Here I am (It's...)
It's Friday night (Ah...)
I'm feelin' good (Good...)
The time is right
There you come (Right...)
Out of the crowd
And all that I can say is

((chorus))
I want, you to know
That I can rock you you girl
So come on lets go
I want, you to see
I'm really feelin' you
So if you're feelin' me
I want, you to know
That I can rock you baby
With the lights down low
I want, you to see
I'm really feelin' you so
If you're feelin' me
Go Go

So you think you've got it all together
Before you make a move and get too deep
Don't you know that I can love her better?
So give it up, go home
And get some sleep

((chorus))

I must have been mistaken for another (Here I am...)
You overlooked that fact that I'm your older brother
(Friday night...)
Don't you know the girl
She wants me (Out of the crowd...)
So look in the other direction
And go and get some (Go, go, go...)

((chorus))
