Don't hold back  
The way you really feel  
What you don't say  
You know your eyes reveal  
I'm knockin' at your door  
So open up your heart  
You know I'm what you really want  
So what you waitin' for?

Keepin' it all inside  
When it should be you and I  
What's the point of keepin' it to yourself?

(( chorus ))  
If you're savin' for a rainy day  
Then let me be the rain  
If you're lookin' for a love that's true  
Then baby look my way  
If you're hopin' for a miracle  
Then I can be your wish  
If you're savin' for a rainy day  
Then baby here it is

But there you are  
Standin' by yourself  
Too shy to ask  
But you know I can tell  
That what you really really  
really really need  
Is what I really got to give  
But baby you will never know  
Until you let me hear

Keepin' it all inside  
When it should be you and I  
What's the point of keepin' it to yourself?

(( chorus ))

So close to paradise  
It's right outside your door

Close enough for you to touch  
I'm everything that you've been waiting for

(( chorus ))
