When you're down, and troubled  
And you need some love and care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up  
Even your darkest night  
Oh yeah

(( chorus ))

You just call out my name  
And you know wherever I am  
I'll come runnin' (Runnin')  
To see you again  
Winter, Spring, Summer or Fall  
All you have to do is call  
And I'll be there  
You've got a friend

If the sky above you  
Grows dark and full of clouds  
And that old  
North wind begins to blow  
Keep your head together, baby  
And call my name out loud  
Soon you'll hear me  
Knockin' at your door

(( chorus ))

Ain't it good to know that  
You have always got a friend in me?  
People can be so cold, oh yeah  
They'll hurt you  
And desert you, oh  
And take your soul if you let them  
But don't you let them

(( chorus ))

Anything you wanna do

Be there if you need me to  
Anything you wanna do  
You've got a friend in me

(( repeat till fade ))
