Jay,James! Roll tape i'm ready to roll!!

Here I am (it's)  
Friday night (Im...)  
Feelin' good (the...)  
Time is right  
There you come (right...)  
Out of the crowd  
And all that I can say is

Chorus  
I want you to know  
That I can rock you girl  
So come on let's go  
I want you to see  
I'm really feelin' you  
So if you're feelin' me  
I want you to know  
That I can rock you baby  
With the lights down low  
I want you to see  
I'm really feelin' you  
So if you're feelin' me  
Go Go

So you think you got it all together  
Before you make a move and get too deep  
Don't you know that I can love her better?  
So get it up, go home  
And get some sleep

Chorus

Na na, na na na...  
Na na, na na na  
GO GO!

I must have been mistaken for another (here I am...)  
You overlooked the fact that I'm your older brother  
(Friday night...)  
Don't you know the girl  
She wants me (Out of the crowd...)

So look in the other direction  
And go and get some (go, go, go...)

Chorus
