What shall I do to come along
What shall I do to make me strong

What shall I do to come along
What shall I do to make me strong

To come along
What shall I do

To come along
What shall I do

To come along
What shall I do

What shall I do to come along
What shall I do to make me strong

What shall I do to come along
What shall I do to make me strong

To come along
What shall I do
To come along

To come along
What shall I do
To come along
