Oooh, oooh, oooh...

Oooh, oooh, ooh-oooh...

Oooh, oooh, ooh-oooh...

Remember where we met, my baby?
We were kissing in the sunset, yeah, yeah
And I keep you in my heart, so tell me
Should we keep it that way, oh forever?

Drifting away on a fantasy
Dreaming about you and me, oh baby

Oooh, oooh, ooh-oooh
Just picture me and you, making love
In the Caribbean blue, singing
Oooh, oooh, ooh-oooh
Our dreams will take us there, I swear
We will dive into those waves someday

Just come a little closer, lover
Cause we have so much to give each other
Hold me tight, and boy, you will discover
There's a place for you and me, to be in

Drifting away on a fantasy
Dreaming about you and me, oh baby

Oooh, oooh, ooh-oooh
Just picture me and you, making love
In the Caribbean blue, singing
Oooh, oooh, ooh-oooh
Our dreams will take us there, I swear
We will dive into those waves someday

Oooh, oooh, ooh-oooh
Just picture me and you, making love
In the Caribbean blue, singing
Oooh, oooh, ooh-oooh
Our dreams will take us there, I swear
We will dive into those waves someday

Oooh, oooh, ooh-oooh
Just picture me and you, making love
In the Caribbean blue, singing
Oooh, oooh, ooh-oooh
Our dreams will take us there, I swear
We will dive into those waves someday

Oooh, oooh, ooh-oooh...

Oooh, oooh
Oooh, oooh, ooh-oooh...
Our dreams will take us there, I swear
We will dive into those waves someday
