I'm a cow girl
Bang bi-doo bang

People say that I'm a bad girl
And I enjoy it all the time
I'm livin' in a sad world
But I know what's on my mind

I am free as a bird
Even though you tell me that I can't fly
I ain't easy to hurt
I have a perfect life and now I'm telling you why

I'm a cowgirl
And I'm ridin' on my horse
Bang bi-doo bang
And I'm shootin' all around
I'm a cow girl
I get straight to the source
Bang bi-doo bang
It's so good to be bad

I'm a cow girl
And I'm ridin' on my horse
Bang bi-doo bang
Stayin' right on the course
I'm a cowgirl
And I'm happy with that
Bang bi-doo bang
It's so good to be bad
