Sitting by the window
And I'm watching the rain
I'm waiting for a sunny day
But I don't wanna sit around
And wait no more
I want my summer to stay

Ohh ohhh ohh
Let the sunshine in
Let the fun begin
Let the sunshine in (ooh-whoa-oh)
Let the fun begin

No more winter handkerchiefs
Umbrellas and snow
It's all around wherever I go
Weatherman, please won't you send us better
forecasts?
I need to know it won't last

Ohh ohhh ohh
Let the sunshine in
Let the fun begin
Let the sunshine in (ooh-whoa-oh)
Let the fun begin

Ohh ohhh ohh
Let the sunshine in
Let the fun begin
Let the sunshine in (ooh-whoa-oh)
Let the fun begin

Cloudy days, won't you go away?
Sunshine, you make me, you make me feel, so fine

Ohh ohhh ohh
Let the sunshine in
Let the fun begin
Let the sunshine in (ooh-whoa-oh)
Let the fun begin

Ohh ohhh ohh
Let the sunshine in (let the sunshine in)
Let the fun begin (fun begin)
Let the sunshine in (ooh-whoa-oh)
Let the fun begin

Let the sunshine in!
