Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

I've been looking for a way to get in
But he won't see me
I've been looking for a place to begin
But he won't get me

I just wanna be your lover... ye ye yeah!
I just wanna be your lover, baby! Woowh!

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

I'm not accepted yet but my time will come
And he will see me
I'm sure I pull it off 'cause I ain't as dumb
As I appear to be

I just wanna be your lover... ye ye yeah!
I just wanna be your lover, baby! Woowh!

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

Mister Wham Bam Bogie, come on!

Mister Wham Bam Bogie!
Mister Wham Bam Bogie, come on!
Mister Wham Bam Bogie!

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie

Mister right, call me! Mister right, call me!
All tonight, call me! Mister Wham Bam Boggie
