Praise God the Almighty  
Sustain our strength for courageous deeds  
Help we shepherd those that have gone astray  
And offer encouragement for those in your way  
Keep us steadfast on this soldiers journey  
In your benevolence we act wholeheartedly  
Manifestor of the living soul  
Halleluyah, Halleluyah, Halleluyah!

One day, righteousness will rule  
One day, righteousness will rule  
Everyman makes a difference  
Everyman makes a difference  
Everyman makes a difference  
So just keep chipping away  
And hold on

Chorus

The way we daps makes a difference  
A little hug makes a difference  
Expressing love makes a difference  
We got to keep chipping away  
And hold on

Chorus

Sister, you mean the most to we  
Sister, your virtue sets us free  
Sister, Momma to all of we  
Sister, we're here to uphold you  
So hold on!

Chorus

Every child makes a difference  
Gorgeous smiles of innocence  
We got to parent our children  
We got to keep chipping away and hold on

Respect the daughter  
Even if she don't respect herself

Model the behavior  
You want others to represent  
Let your worship be  
In everything you do  
Take account for your actions  
And let righteousness rule  
Everything makes a difference  
Every link makes a difference  
Every man makes a difference  
And Jah know  
Everyone makes a difference  
Selah?  
Selah.
