"Leave Me Alone"

Please do not wake me
it's too early
let me keep on sleeping deep into this slumber
sleep that's peaceful as a baby's
sleep that's roaring like a drunk with snores like
thunder

why must you bother
it's for dreamer
when I'm dreaming that I'm flying without an
airplane
in a chariot you can see through
pulled by horses from the kingdom

of the south wind
of the south wind with breezes

please do not wake me
it's too early
let me keep on sleeping deep
into this slumber
time for daylight
time for heartaches
many hours that never fill with laughter
you'll see my eyes are crying...
