(english lyrics by : Angelo Branduardi)

You know I walked this far

Over the highest walls  
To celebrate with you

But maybe I was wrong  
You talk of life and death

And I don't like that song  
You just sit there on your thoughts

Like a broken down old thief  
I always used astuteness

With my sheltered geometries  
It's foolish to take risks

I concede nothing to anyone  
Following my thread I never lose myself

Following my thread you will not lose yourself  
Come and take my thread and you want lose yourself  
Labyrinth that has no exit

This is you embroidered space  
And I cannot walk there

I quickly run up and down  
And all think I'm a sage

But surely you can see I'm  
Unscrupulous I gently rock my prey

Inside my precious shrouds  
If only I could enfold you

Today perhaps, my most precious prey  
Would be you

Following my thread
