Things all look pretty good now, pretty good for
horribly bleak
Of course I kid you'll be fine now. You'll be over this in
under a week.

And sometimes I feel like standin' up to all these
vulturing dogs.
Well, I got my jogging suit and any minute I might
come out to take you on.

I'm just waiting for you to prove me wrong.

You can call but I'm not comin'

I keep finding, I keep finding, I keep finding ways to
make my world come down
I keep finding, I keep finding, I keep finding the
wayyyyyyy
(riding on a rail, riding on a rail, riding on a rail, that's
my day now)

Well, you might be a sly dog as you enter the tent.

Creeping through these gaping holes and seeking out
this young and curious scent.
It's absolutely revolting, every word that you say.
You're so encapsulated you never considered that
there might be some other way

I'm just waiting for you to prove me wrong.

You can call but I'm not comin'

I keep finding, I keep finding, I keep finding ways to
make my world come down
I keep finding, I keep finding, I keep finding the
wayyyyyyy
(riding on a rail, riding on a rail, riding on a rail, that's
my day now)

I'm not comin'

I'm not comin' back 'round here no more.
No, I'm not comin' back 'round here no more
