Spending summers chasing rainbows, dancing solo,  
skipping stones down on the bank  
I'm watching what I haven't found. Love's in the air and  
I'm still on the ground.

oooooOOooo so hear me,

Rain, don't fall on me tonight,  
Unless you leave this rainbow behind,  
To finally have a rainbow that's mine.

Spending summers chasing rainbows can seem so  
long, can seem lonesome but I know  
There's something waiting for us, and when we find it  
all we'll want to do is sing.

Rain don't fall on me today,  
Unless you leave this rainbow in my way,  
I know then that I wouldn't mind the rain...fall
